

HOW TO ADD TAX TO YOUR INVOICES - CANADIAN SUPPLIERS

Canada-Based suppliers need to ensure that they have set up all their tax codes on the Tungsten Network portal.

- 1. Log on to the Tungsten Network Portal at www/tungsten-network.com/login
- 2. To enter tax as a Canadian supplier you must have your Canadian Tax rates set in your account. To do this click on 'Your account' on the top right hand side of the page

3. Select Tax rates under the Invoice Information section

9. You can now review the PO details, click Accept. Once you have accepted the PO you will be given the Option to Convert PO.

10. Enter your invoice Number. Tick the line you wish to convert into an invoice. Scroll to the right to add tax. You can add up to two tax rates per line by using the two drop downs

Help with this page

To start invoicing, please select the desired PO lines from the lines shown below. Some lines may be unavailable for invoicing depending on whether the goods/services have been received or not. For lines available for invoicing, please enter the quantity and price for the invoice line (less than, or equal to 'Qty available' and 'Price'), and choose the appropriate tax rate.
